

High Fives!

For those who go the extra mile!

Our very own Don Millar will join an elite group of veterans who will be flown as guests to Washington DC as part of the Wisconsin Honor Flight on September 12, 2015. Honored veterans will start their day at 7 am at Mitchell Field, Milwaukee, have lunch and dinner in DC, visit several national monuments and then be flown back to Milwaukee around 9pm arrival that evening. I recently learned that it was Julie Ihlenfeld, ESS worker at WFD, who went out of her way to research his veteran's service, this project, and then submitted this well-deserved nomination for this honor. It was her dream that he be accepted and they received the news late last week! It is Don's hope that Julie will be his guest and join him.

Don provides such an important service for his veteran riders and is known throughout the agency for his cheerful energy, positive outlook and good nature. Julie's efforts to recognize Don's service to his COUNTRY by arranging for this once in a lifetime opportunity demonstrates just how caring that people who work for Jefferson County really are.... not only for their clients, but for each other as well...
